

Nyborg 16-08-2018

Pga. af problemer med den ene af to tidtagingsbokse, er der desværre en del mangler i nedenstående resultater. Resultaterne er fremkommet som beregninger ud fra de tider som den fungerende tidtagingsboks havde registreret. Vi er naturligvis meget kedede af den situation, men har gjort hvad vi kunne for at skabe en så korrekt resultatliste som muligt.
